MEMORANDUM FOR THE RECORD

Morning Meeting of 11 October 1965

[] of ORR gave a background briefing on Communist military aid to the Less Developed Countries. (See Action 1)

25X1

R. J. Smith briefed on the situations in [] See Action 2) []. He complimented the Station reporting [] as excellent. The DCI suggested that the Agency continue to study possible actions which might have a salutary effect [] DDCI noted that high U. S. policy levels, with good reason, continue to be reluctant to get engaged too directly [] situation.

25X1

25X1

25X1

Smith noted the fine photography acquired [] and covered the high spots of the Agency's preliminary assessment of the take.

25X1

Borel reported on a meeting with staff officials of the U. S. Navy in an effort to ensure that such officials are aware of the existence of intelligence publications which may be of use to them. DCI suggested that similar talks be held with Army and Air Force officials with a view toward drawing up a plan to improve dissemination of intelligence publications.

[] reported "forward movement" in the work of the inter-agency committee dealing with the question of intelligence collection facilities []

Kent noted that three NIE's would be on the agenda for USIB which meets Wednesday instead of Thursday this week. The Estimates deal with [] outlook for an [] and []

DD/S reported that an investigation shows the Commo automatic relay switch [] failed for technical reasons. There are no security implications.

DD/S reported that the [] training unit [] will train 20 Army officers from Fort Bragg. The 20 will become an Army training cadre.

25X1

DD/S&T reported that the collection guide for intelligence on nuclear propulsion has been completed and will be issued.

DD/S&T noted movement of SA-2 sites in East Germany. There appears to be increasing emphasis on training in SA-2 mobility and this could affect U. S. military planning.

ADDP reported that steps have been taken in response to the DCI's directive to ensure that no unilateral Agency operations will be mounted in connection with the current and forthcoming [redacted]

25X1

25X1

25X1

[redacted] Interrogation procedures and arrangements [redacted] were described.

ADDP noted the meeting between the [redacted] and Ambassador [redacted] who decried publicity on the Agency.

25X1

Executive Director noted that there was need to name an Agency nominee for the Federal Women's Award. Deputies were asked to provide names to DD/S by COB 12 October.

DDCI noted that he and DD/S&T had met with McGeorge Bundy about OXCART, including possible deployment to Kadena. DD/S&T said this had now been discussed with Secretary Vance, the JCS, and Presidential Advisor Hornig. It was agreed that efforts would be made to discuss this with Secretary Rusk, Ambassador Thompson, and the PFIAB.

DCI reminded of the need to get [redacted] a report done [redacted] for the Navy on missile protection for ships. DD/S&T agreed to look into this.

ACTIONS:

1. DCI asks consideration of preparation of a comparative study of Eastern and Western aid to the Less Developed Countries, to include conclusions on the implications of comparisons. (DD/I -- 8 November)

Forged
per
HK

[REDACTED]

25X1

3. DCI asks for an intensified technical analysis of [REDACTED] installations found in photography of the USSR. A study should be made of their geographic dispersion, similarities, differences, etc., in order to render more detailed conclusions than have been reached to date. (DD/S&T and DD/I -- 15 November)

25X1

DONE
16 NOV

4. Noting that the NVN public charge that the U. S. had bombed a Red Cross-marked leprosarium is belied by the facts, DCI asked that photography and a listing of the facts be made available to Presidential Assistant Moyers so that the latter might make whatever use of this he may desire. (DD/I -- 12 October)

DONE

5. DCI noted photography of the Panhandle in Laos reflecting road improvement activity. He asks consideration of a plan which would use beacons to home U. S. strike aircraft against key targets in such a way that [REDACTED] can be reinstituted. If this is feasible, he would like to send a note over his signature to General Wheeler, suggesting this. (DD/I in consultation with DD/P -- 13 October)

ILLEGIB

6. Noting current activities by [REDACTED] DCI asked consideration of ways and means to undercut his activities. (DD/P -- 13 October)

25X1

25X1

7. DCI asks that DD/S&T prepare a resume of the findings of the [REDACTED] which met recently, and that this be authenticated by [REDACTED] and then disseminated to interested offices and agencies. (DD/S&T -- 21 October)
